- International orientation and position
- Peer culture of quality review and academic freedom
- Student exchange and research cooperation with universities throughout the world
- Key collaborative partner for business and society
- Modern, interdisciplinary campus areas
Culture, tradition & student life
Uppsala is the oldest University in Sweden and all of the Nordic countries, founded in 1477.

Uppsala is Sweden’s fourth largest city with a population of 200 000 inhabitants. Unique cultural treasures and an exciting history are to be found in the city of knowledge and inspiration. Uppsala has retained its small-town charm while offering a big city’s selection of shops, restaurants and other entertainment. Uppsala is located 40 minutes north of Stockholm. Uppsala can easily be reached from Arlanda airport.
HISTORICAL ATTRACTIONS
Uppsala has many historical attractions. Among the most famous are:

• **Uppsala Cathedral** the largest cathedral in Scandinavia.
• One of Sweden’s eldest **Botanical Gardens**

• A unique **Anatomical Theatre** built in the 1600’s
• The **Linnaeus Garden**

![Image of the Linnaeus Garden]

**Carl Linnaeus**

Linnaeus is one of the most famous Uppsala University professors ever. Linnaeus created the system for classifying and naming nature, and the foundation of his system is still in use today throughout the scientific world. ‘God created the world, and Linnaeus categorised it’ has become an adage.

• **Uppsala Castle** from the mid-1500's

**Carolina Rediviva**

– **Uppsala University Library** from 1620 with the silver bible from 6\textsuperscript{th} century
Old Uppsala As early as the 3rd century AD and the 4th century AD and onwards, it was an important religious, economic and political centre.
Norrlands nation

One of the most integral parts of student life in Uppsala is the student nations. There are thirteen student nations, each dating back to the 17th century.
Blåsenhus Conference Place

The Conference will take place at Blåsenhus. Blåsenhus, one of the newest campuses within Uppsala University is located in the area with the very same name. You can find Blåsenhus opposite the Uppsala castle. The Blåsenhus area has a historical past that goes back 350 years. Blåsenhus is light, airy and with many areas for the students to study. There are also possibilities to study outside with the wireless network being accessible outside.
About Blåsenhus

Blåsenhus, one of the newest campuses within Uppsala University is located in the area with the very same name. You can find Blåsenhus opposite the Uppsala castle. The Blåsenhus area has a historical past that goes back 350 years.

Friday 20th April 2007 at 2pm the work began to build Blåsenhus, a campus as big as 25 000 m². You can meet future teachers, human resources specialists, behavioural scientists and psychologists if you visit Blåsenhus. Some training and education for the universities own staff is also taking place here in Blåsenhus. The official opening was on Thursday 11th march 2010.

Blåsenhus is light, airy and with many areas for the students to study. There are also possibilities to study outside with the wireless network being accessible outside.

The building Blåsenhus was assigned “UNTs stadsmiljöpris 2011”
